

EDUCATION

B.Tech, Artificial Intelligence and Machine Learning

VIT Bhopal University

2020-2024

CGPA: 8.07

Senior Secondary (XII), Science

G R Global Academy

(CBSE Board)

Year of completion:2019

Percentage:76%

Secondary(X)

G R Global Academy

(CBSE Board)

Year of completion:2019

CGPA:7.8

TRAININGS

COURSE	DURATION	PLATFORM	DESCRIPTION	CERTIFICATE LINK
Applied Machine Learning	Nov 2021 - Dec 2021	Coursera	We learned about datasets , how models are trained and tested, learned about some important libraries used in model training	https://drive.google.com/file/d/19To7vbg0036A-gN0p8k95VHXct3ypD0Y/view?usp=drivesdk

SKILLS

Python

Intermediate

DSA

Beginner

Machine Learning

PROJECTS

PROJECT NAME	DURATION	DESCRIPTION
Smart Attendance System Using AI	Sep 2021-Nov 2021	In this we used AI based model to take the attendance of an studen and keep the record of it when student enters the class and when leave using face detection
Anomaly Detection Using Machine Learning	Mar 2022-Apr 2022	In this we mainly focused on credit card fraud detection for which we create different models using different algorithms and find the best suited method to find the credit card fraud

POSITOINS OF RESPONSIBILITY

Led a Volleyball team in school.Volleyball is a game of team work and being a captain of the team I had to keep up with the team, keep them motivated and working on strategies and accomplishing it together. We secured first place in the game.
